

## Public Agency Grass Replacement Rebate Program

Public agencies located in the West Basin service area are encouraged to be **SUPER-CALI-FRUGALISTIC** year-round by replacing non-essential grass from publicly-owned spaces with water efficient landscapes.

The rebate program offers expanded resources for public agencies, including:

### Increased rebate!

Starting at \$4 per sq ft. of grass replaced

### Larger project sizes

Rebates applicable for projects up to 200,000 sq ft.

### Free landscape design

### Rebate application assistance

**SUPER-  
CALI-  
FRUGALISTIC**

Save Water. One Drop at a Time.

### What is considered a public agency?

Any federal, state, regional, local government entity including:

- » city-owned landscapes, parks, schools
- » special districts
- » joint power authorities
- » agencies or departments
