

West Basin Municipal Water District

Water Bottle Filling Station Grant Program

West Basin provides grant funding to use toward the purchase of eco-friendly water bottle filling stations at public facilities. This program provides the community with access to safe, reliable tap water to fill personal, reusable water bottles.

To be eligible, applicants must:

- Own or operate a public facility (e.g., city, school, community center, park, recreation area, etc.).
- Be located in the West Basin service area.
- Meet all specified criteria and fulfill application requirements.
